

Poverty – Who Would You Choose? worksheet

There were many children who needed a place in one of the Children's Homes and it was very difficult to choose the most deserving cases.

1. There are six children mentioned in these extracts. Choose one and list the reasons given in the extract about why they should be taken into one of the Children's Homes.
2. Compare the one you chose with the other five. If you had to choose just one, who would it be? Say why you chose them.
3. Now think of why you turned down the other five. If you were to write a set of guidelines for the people who had to make these difficult choices, what might your five pieces of advice be?
